# Flat Ceiling Rose Installation Instructions

[1] Mounting element

[2] Thread

[3] Nipple

[4] Wall plugs*

[5] Electrical box**

*The set does not include wall plugs
**For two-core cables, grounding is included in the set

1. Attach the mounting element **[1]** to the ceiling using wall plugs **[4]**.
2. Connect the cable to the power supply using the electrical junction box **[5]**.
3. Position the flat ceiling rose near the ceiling.
4. Tighten the nipple **[3]** onto the elongated thread **[2]** to secure the canopy.
